

Plane

Table Of Contents

- [1 Information](#)
- [2 Overview](#)

Plane is a unit class/type for plane types of aircraft units.

(This article is currently under construction!)

1 Information

Plane types of units comprise all fixed-wing aircraft as well as many other types of aircraft. Virtually all mobile aircraft in the game are planes and their sub-types, except the Helicopters and [Satellite](#) types of aircraft. The two sub-classes of Plane are Glider and [Zeppelin](#).
