The article about the environmental sets in the game.

(This article is currently under construction!)

1 Overview

Sets are the primary environments that constitute the level layouts and atmosphere. Each set possesses unique aesthetics, terrains and buildings styles, as well as textures/models and general layouts.

2 Sets List

In the final version of the game, there are total six sets in [Urban Assault](#):

- [Set 1](#) (City)
- [Set 2](#) (Hills)
